

CATALOGING NEW OPI MATERIALS - TIPS AND INFORMATION

Please share this information with your school librarian.

Cataloging information for the enclosed materials and materials previously sent to your school may be found on the Montana Shared Catalog (MSC) and/or OCLC WorldCat.

If your library does not have direct access to MSC or OCLC WorldCat, then you may be able to locate cataloging records through the My Montana Library web site at:

<http://mymontanalibrary.org/>

- ❖ Select a library from the dropdown menu – i.e. Montana Historical Society Research Center
- ❖ Search the holdings of any of the libraries.
- ❖ If the library has cataloged the material, the cataloging information will be included in the record.

If your library is a member of the Montana Shared Catalog or OCLC, click on the following links to access the cataloging information:

If you do not find the materials cataloged at any of the libraries, please be patient and check back in a few weeks.
